Sorry I forgot to list a couple other areas we need personnel:

Registration-**Coordination** and setup, volunteers need to come about 8:30

Food pickup/runners: Curry to be warmed at Far Bar, picked up 10:45

other runners to pick up things from: Starbucks (early)

Daikokuya

Aloha Cafe

and others

Setup at JACCC plaza-posting information, equipment distribution, area designations, lunch setup-tables, chairs...

Thanks all of you...

**Less than 2 weeks away.** We're moving along with food, arrangement for equipment, venue will be JACCC for start and lunch. Many of the businesses have been informed and quite a few are donating food for lunch. Monetary donations are trickling in, and a food crew is coming together. Curry House donated 270 curries for lunch. Identifiers, "Hachimakis" are being screened....various individuals have gone out and talked with businesses. If/when you go shopping or eating, please ask if they know about the event on the 13th. Their support, if even a "Thank You," will be appreciated.

Here are areas where we need assistance:

- water for the cleanup and lunch
- setup/cleanup crew for lunch
- equipment inventory from last time and purchase of equipment or cleaning solutions(Suggests of items to purchase?)
- parking, equipment, chairs and tables (Huizar)
- area captains (have 6, need 10)
- first aid materials and personnel (anyone a PA or EMT)

If you can or someone in your organization are willing to assist in any of the above, please have them contact us...THANK YOU!
